

SOUTHWELL FLOOD FORUM

Community Prevention & Support

We need this information urgently in order to get accurate numbers of properties and businesses affected by the storm and flooding on 23rd July 2013. Determining the **true scale** of the impact of that event will help to seek funding to implement measures to reduce the flood risk.

Please return this form by **31st August 2013** (but see comment below) to 'postboxes' in Southwell Library , Minster or Post Office or to 7 Easthorpe. Alternatively, it is also available to complete online at www.southwellfloodforum.org.uk

If you are unable to meet this deadline please do return the form as soon as you are able as we will be continuing to gather information and collate statistics to strengthen the case for action

First Name

Last Name

Please identify your interest in the forum:

- ☐ you sustained damage in 2013
- ☐ you sustained damage in 2007
- ☐ you were 'threatened' by approaching floodwaters in 2013
- ☐ you were 'threatened' by approaching floodwaters in 2007
- ☐ you are interested in being part of the Forum?

Southwell residence that was affected in 2013

Address

Post Code

What was affected?

- | | |
|---------------------------------|--|
| <input type="checkbox"/> House | <input type="checkbox"/> Garden |
| <input type="checkbox"/> Garage | <input type="checkbox"/> Outbuildings |
| <input type="checkbox"/> Car | <input type="checkbox"/> Services (electricity, phone etc) |

Approximately how high was the water inside your home _____ cm

Approximately how high was the water outside your home _____ cm

Further brief details of 2013 damage and any other watercourse/drainage incidents (approx dates please)

Are you staying in your affected property? Y / N

If not, how long may you be temporarily re-housed approximately? _____ Days

If you were also affected in 2007, what reparations did you make, if any, which improved your flood resilience? How did you fund this?

In your opinion, how could the agencies and authorities reduce the flood risk in Southwell?

What equipment, advice etc might help you to protect your own property/reduce the impact in the event of a flood

Have you experienced any other watercourse/drain related incidents apart from the major flooding?

Contact Details

Email

Landline/Temporary no.

Mobile no.

Would you like to:

- ☐ participate actively in the Forum? We are developing Task groups to deal with specific actions.
- ☐ help with small but very necessary tasks e.g. delivering/photocopying leaflets (notice of meetings, information about resources etc)
- ☐ be a flood warden / street representative / flood watcher (e.g. routine inspections of dykes etc.)

Can you help in any other ways?

Any other comments?

IMPORTANT PRIVACY NOTICE
