

Do you have what it takes to be a Road Closure Warden or Trigger Spotter?

- Can you spare 2 hours a year to be trained and practise your Warden skills?
- Would you like to be able to help protect your neighbours from flooding?
- Even if you work at home, the office or away, have a young family or go on holiday occasionally, you can help when you are in Southwell should there be a flood
- Road Closure Wardens can help before, during and after a flood
- We need Road Closure Wardens living near road closure locations and trigger points, who are not themselves at risk of flooding.
- More information at [www.southwellfloodforum.org.uk/archive/road-closure-scheme](http://www.southwellfloodforum.org.uk/archive/road-closure-scheme)
